**New Edition

Note: There are 3 CourseMate Access Cards and Online Training Simulation that would be expensive to purchase separately so I would suggest only buying the bundle offered through the Bookstore rather than "used" books from past students.

Note: No book required for RFAC 1004 (Mathematics for Trades)

A full refund is available on all textbooks within 10 business days of purchase provided the texts are in original condition, original packaging and accompanied with proof of purchase.
